Notification dated 11th May 1939.

Circular in connection with the Refund.

It is observed that the public are remitting money to the treasury towards the cost of books, without ascertaining whether the books are available in the Book Depot and finding out of the exact cost of the book, with the result that the money paid by them has had to be refunded to them and unnecessary work has devolved on the office and the treasuries.

Lists of books (English and Kannada) which are newly printed and are ready for sale in the Book Depot are being published in the Gazette, every month. The lists are also available with all the Government Book Selling Agents and the Government Branch Book Depot Keepers in the State.

The public are therefore requested to refer to the said lists or make enquiries at the Central Book Depot, Bangalore, in the matter, before they remit money to the treasury.

It is also noticed that in some cases applications for refunds have been received in manuscript forms. As refunds are arranged in separate printed forms prescribed, applications for refund may be kindly made only in the prescribed printed forms so as to comply with audit requirements.
